DECREE OF THE POPE DECLAR-ING VOID MARRIAGE TO AMER-ICAN GIRL CRUSHES THE HIGH HOPES HELD FOR FOUR YEARS -FORMER MRS. PARKHURST'S MARRIAGE AND DIVORCE DE-CIDED TO HAVE BEEN VALID.

Rome, Aug. 28.-After four years of effort to secure papal validation of the ceremony, the marriage of Prin cess Jos. Rospigliosi and has Ameriban bride has been declared null and vold by a decree of Pope Plus X.

This means that the church of Rome, because she is a divorced woman, does not recognize the prince and his beautiful wife as married. It not only is a crushing disappointment to the princess, who was formerly Mrs. Frederick H. Parkhurst of Bangor, Me., but is decidedly embarrass-ing to Prince Rospigliosl, who now practically has to choose between his wife whom he loves devotedly, and the Roman Catholic church, with which his family has been identified

His brother, Prince Camillo Rospigliosi, is commandant of the Papau noble guard, and the family belongs to the papal nobility. The effect will watched with breathless interest, not only in Italy, where the full im port of the decree amounts to social but in Europe generally, and in America where the princess is socially was supernuous

INSURES A CLEAR SKIN

When Eczema, Acne, Tetter, Pimples or other skin diseases make their appearance it is a sure sign that the blood filled with humors and burning acids. These being forced through the pore-and glands burn and blister the skin, producing the eruptions which are usually accompanied with intense itching, and are disfiguring and humiliating.

Vears ago my blood was bad, as evisioned by skin eruptions on different parts of the bedy, and other symptoms, so i concluded to try S. S. S., knowing it to be highly spoken of. After using a number of bottles—do not remember now just how much—my blood was theroughly purified and enriched and I was relieved of all eruptions and manifestations of impure blood. I believe S. S. S. to be an excellent blood medicine, and any one in need of such a medicine would do well to use it. They will find it a perfect cure as it proved to be in my oase.
